

Belton Senior Activity Center

April 2021

Hello to Everyone!

Reopening!

We hope this finds everyone well! What a year we have had so far! Our plan is to open gradually with our different groups by working with each group to set a start date. This will start the week of April 12 and go from there. Bingo, Pot Luck and Dances will be on hold for now. If you have a question about your particular group, please call Judy at 254-770-7958. Masks will be mandatory as we reopen.

Art Class – A new art class will be starting soon. Please let Judy know if interested.

Activity Director, Judy Owens, has been making calls to check on folks, but if you have any questions or

concerns, please call on her cell or just to talk! 254-770-7958.

**Grocery Pickup Going Well
and Will Continue**

We continue to do a minimum of 50 bags of basic grocery items each Friday, beginning a little before 11 a.m. to 12 noon or until we run out. The only criteria is that a person be 60 years old or over and have a Belton address. Many thanks to our volunteers who faithfully serve each week to make this possible.

Quilts Donated

Several quilts were donated to Foster Love of Bell County in January. These quilts are sent home with foster parents or when a child is in transition. We are happy to be able to serve in this way!

Condolences

These are the names of those who came to the Center who passed during this past year. We will miss them.

Two Special Birthdays

Two of our ladies recently celebrated very special birthdays. Clarice Wick was 100 years old on January 18 and celebrated with a party at her home with balloons, roses, and a fire truck!

Doris Graham celebrated her 99th birthday on January 29!

Belton Senior Activity Center

We treasure these ladies and all of our Seniors!

From Board President, Jay Taggart

Greetings to our faithful supporters! I have two things I want to share with you in this newsletter:

First, the Belton Senior Activity Center recently celebrated our 45th anniversary! The Center was first established on February 5, 1976, using the current American Legion Post 55 building. The Center raised funds, and along with a grant was able to construct our current building at 842 S. Mitchell Street, moving in on February 24, 1981. Since then, the BSAC has served thousands of Belton-area senior citizens in so many ways, including nutrition and various activities. **With your continued support we hope to continue serving our seniors for generations to come.....**

Second, I want to say a Big Thank You to our volunteers that come every Friday to help with our Drive-Thru

Food Distribution program! We could not do it without their help. Most of our volunteers came to us when they heard about our program. They are truly community servants and are making a difference, not wanting recognition. Our Board of Directors is most appreciative of their service and support of this vital program!!!

Thank You Drive-Thru Grocery Volunteers!
